Recital Make-up & Hair

Please understand that for this performance we will be using professional theater lights which can make a child look really washed out. We do not promote make-up on children in any way however for a recital, make-up is required. It's a good idea to send your student with extra lipstick and make-up wipes for touch ups. If you have any questions regarding your child's hair or make-up please let us know. Thanks so much!
